Dear Rebekah,

**RE: Woodchurch High School Opening**

It was very kind of you to invite me to your school opening - thank you. It's always been a pleasure getting involved with the school and its design process. I hope to have contributed in some small but positive way.

I thought your pupils were impeccably behaved. The entertainers were fabulous and a real credit to their new environment which I hope is respected and creates the very best of opportunities.

When I last visited the school proper it was in the old buildings. The new school seems so much more upbeat and vibrant, both welcoming and forward looking. It appears to be well suited to its landscape with a real sense of place and purpose, with room to breath and develop.

I wish you, your staff and all your pupils every success for the future.

Yours sincerely,
