GOVERNORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2021

The Governors (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements and Auditor's report of Woodchurch High School (the academy and the group) for the year ended 31 August 2021. The Governors confirm that the Annual Report and Financial Statements of the Academy and the group comply with the current statutory requirements, the requirements of the academy and the group's governing document. The annual report serves the purposes of both a governors' report and a directors' report under company law.

The Trust operates an academy for pupils aged 11 to 16 serving a catchment area in Wirral. It has a pupil capacity of 1405 and had a roll of 1427 in the school census in spring 2021.

Structure, governance and management

a. Constitution

The academy is a charitable company limited by guarantee and an exempt charity.

The Academy is a company limited by guarantee and was incorporated in England and Wales (registered number 07775671). The address of the registered office is Woodchurch High School, Carr Bridge Road, Woodchurch, Wirral, Merseyside, CH49 7NG.

The Academy was incorporated on 15th September 2011 and commenced trading on the 1st October 2012. The company's memorandum and articles of association are the primary governing documents of the Academy.

The Governors of Woodchurch High School are also the directors of the charitable company for the purposes of company law.

The Academy has entered into a funding agreement with the Department for Education, which provides a framework within which the Academy must operate. The principal object of the Academy is to advance, for the public benefit, education in the United Kingdom by leading and developing a school offering a broad and varied curriculum.

Details of the Governors who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Trustees' indemnities

The academy through its articles has indemnified its governors to the fullest extent permissible by law. During the year, the academy also purchased and maintained liability insurance for its governors.

d. Method of recruitment and appointment or election of Governors

The management of the group and the academy is the responsibility of the Governors who are elected and co-opted under the terms of the Memorandum of Association.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Structure, governance and management (continued)

e. Policies adopted for the induction and training of Governors

The academy is governed by the governor board which delegates functions as appropriate to governor committees. When the academy was formed it was decided that the governors were authorised to sign the main deeds, documents, reports and accounts on behalf of all directors. The trustees and governors exercise their powers and functions with a view to fulfilling a largely strategic role in the running of the academy.

The members and governors who were in office at 31 August 2021 and served throughout the period are listed on page 1. All governors are provided with copies of procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as governor. Governors attend training courses as appropriate.

f. Organisational structure

The management structure consists of four levels: the Members, the Governors, the Senior Leadership Team and the various faculty teams. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels. The Governors are responsible for setting general policy, adopting an annual development plan including drivers and budget, monitoring the Academy by the use of budgets and making major decisions about the direction, vision of the Academy, capital expenditure and senior staff appointments. The Senior Leadership team is comprised of the Head Teacher, Assistant Head Teachers and Business Manager. The Leadership Team control the Academy at a day to day level, implementing the policies laid down by the Governors and the agreed Vision and Drivers.

g. Arrangements for setting pay and remuneration of key management personnel

The Senior Leadership Team are set strategic objectives and targets for the academic year, overseen by the School Improvement Partner, Head Teacher and key Personnel Governors. Reviews take place throughout the year and outcomes are shared with key Personnel Governors. Outcomes and impact inform the decisions regarding pay and remuneration for the Senior Leadership Team.

Objectives and activities

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Objectives and activities (continued)

a. Objects and aims

The principal object and activity of the company is the operation of Woodchurch High School, to provide education for pupils of different abilities between the ages of 11 and 16.

In accordance with the Funding Agreement made under section 482 of the Education Act 1996, as substituted by the Education Act 2002, between the Secretary of State for Education and the Academy Trust, the Academy is governed by the Governing Body which exercises its power and functions with a view to fulfilling a largely strategic role in the running of the school. The Funding Agreement specifies the admission arrangements, amongst other things, and that the curriculum, in substance, complies with statutory requirements.

The main objectives of the Academy during the period ended 31st August 2021 are summarised below:

- To ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- To raise aspirations and encourage ambition for all pupils;
- To raise the standard of educational achievement and progress of all pupils;
- To improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review;
- To provide value for money for the funds expended;
- To maintain close links with the community and build successful partnerships with other institutions;
- To conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

Whole School Priorities for 2020-2021

1) Curriculum Planning Progress and Attainment

For all teaching staff to constantly review their curriculum, responding to the needs of pupils, and be consistent and effective in its implementation, as specified by the T&L Handbook. For impact to be in line with subject targets, leading to whole-school targets being met.

- Subject Reviews and appraisal to show progress through the year in regard to the written, enacted and online curriculum, with Subject ELPs at least amber in all areas.

2) Teaching and Learning

For all staff to embed policy and practice as outlined in the T&L Handbook, focusing specifically on responsive teaching and independent learning..

- For all teaching staff to deliver effective learning experiences via Google Classroom and for teaching ELPs to demonstrate on-going improvement and all Subject Leader and Senior Leadership ELPs to be at least amber.

3) Behaviour and Culture

To realign our standards, culture, expectations and vision - maintaining a calm, orderly environment in all areas of the school so that all staff and pupils feel safe and are focused and ready for learning. For all staff to implement and maintain the school's behaviour policy and expectations, promoting the Code of Conduct and Successful Learning Criteria to ensure that all levels of disruption are challenged and learning is not interrupted.

- The impact is a positive and respectful school culture, where behaviour, attendance, punctuality and attainment meet expectations.

4) Christian Vision, Values and Ethos

For the school community to live out and experience our vision every day: 'let your light so shine before others that they might see your good deeds and glorify our Father which is in heaven' (Matthew 5:16).

For all staff to model and promote our Christian Values, and develop a moral compass in our pupils that motivates and guides their conduct. All leaders to effectively demonstrate how the impact of the school's vision

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Objectives and activities (continued)

holistically infuses and shapes the strategic and operational direction of the school.

- This leads to innovative and imaginative practice, which helps pupils transform their lives.
- To achieve an outstanding SIAMS inspection.

5) Business & Operations Management

To effectively support teaching and learning through the management of the school's operational functions, covering the areas of Health and Safety Management, Finance, HR, Administration, Premises, Cleaning, Catering and Sports Complex. Key areas of focus are a balanced and sustainable budget, compliance and the ICT strategy.

b. Objectives, strategies and activities

The Academy's main strategy is to raise standards of achievement and progress through an unrelenting focus on continuous improvement in all aspects of the organisation. The core purpose of the Academy is teaching and learning; its people and resources are constantly measured by their contribution to the overall quality of teaching and learning and therefore the standards achieved by its pupils.

Key activities which support the main strategic purpose of the organisation are:

- Robust quality assurance processes (Inspections) which are transparent and inform all subsequent actions;
- To improve teaching further so that all is good or better by continuing to share the good practice that exists, ensure that pupils are effectively involved in the learning in all lessons and ensuring teachers make frequent checks on the extent to which pupils understand their learning;
- Secure use of data and tracking to measure progress and inform actions and intervention and to use this to encourage even higher aspirations so that pupils achieve their full potential in all subjects;
- To improve and develop our Behaviour for Learning strategy and decrease the number of fixed term exclusions and decrease the percentage of persistent absenteeism and other absenteeism;
- A constant review of Continuous Professional Development and training opportunities for staff;
- To continue to develop the Christian Ethos;
- A core structure which allows all staff and students to understand their role within the organisation and also to ensure that lines of accountability are also clear;
- Structures to support the organisation and integration of all internal and external resources and support available for both pupils and staff.

Equal Opportunities Policy

The governors recognise that equal opportunities should be an integral part of good practice within the workplace. The Academy aims to establish equal opportunity in all areas of its activities including creating a working environment in which the contribution and needs of all people are valued.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Objectives and activities (continued)

c. Public benefit

Inextricably linked to the main objectives of the Academy is the aim of contributing to the public. Through the provision of a wide range of educational and other activities, the Academy aims to contribute considerable benefit to the local community and to the community of the Chester Diocese. A sample of such events include the following:

- Wirral Music Service hosts its weekly tuition at the Academy during the weekend.
- A wide range of support, both curriculum and operational, for Church of England Primary Schools within the Chester Diocese.
- The school's farm welcomes the local community, specialist and primary schools to participate in horticultural and animal activities.
- Numerous community events are held, including school fairs and affiliation with the Rotary Club. The enforced school closure has had an impact on such events.
- Local Primary and Special Schools are invited to participate in a variety of events being run by different faculties such as Art, Science, and Drama. Some local schools used the sports fields to host their sports days.
- The Sports Complex provides a high quality sports facility for community groups and larger clubs to provide a range of activities for local community participation.
- Our students have been involved with the community focused Archbishop of York Award.

Note - COVID-19 has had a significant impact on the delivery of some of the above public benefit. During the school closure and pandemic, school was able to:

- Provide food parcels to our most vulnerable families
- Provide laptop provision to our pupils

The Academy has given a high priority to providing public benefit to a cross section of the community, but perhaps the greatest benefit that the Academy can offer is the provision of an education that maximises each student's potential to develop principled, informed, open minded and become confident citizens who respect the beliefs of others and who are determined to make a positive contribution to society.

The Governors have considered the impact of the public benefit requirement including the guidance issued by the Charity Commission. The academy provides educational services to all children in the local area. The trustees confirm that they have complied with their duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance provided by the Charities Commission.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Strategic report

Achievements and performance

Examination results for 2020 -21 were as follows:

2020.21 – 64.4% of pupils achieved 5 standard passes, including English and Maths at GCSE and equivalent).
34.5% of pupils achieved 5 Strong passes, including English and Maths at GCSE (and equivalent).

(2019.20 – 63.4% of pupils achieved 5 standard passes, including English and Maths at GCSE and equivalent).
37.3% of pupils achieved 5 Strong passes, including English and Maths at GCSE (and equivalent).

To ensure that standards are continually raised, the Academy, Governing Body and the Senior Leadership team:

- Operate a robust quality assurance calendar which monitors the quality of teaching and learning;
- Is scrutinised and supported by an independent School Improvement Partner
- Is scrutinised, challenged and inspected by outstanding partner schools;
- Undertakes a rigorous review of assessment and attainment using RAISEONLINE, SISRA, and FFT to measure the progress of pupils, paying particular regard to the achievement on entry and levels of progress secured, particular emphasis on Pupil Premium Pupils.

During the enforced school closure, every effort was made to keep pupils learning from home. This was in the form of online learning and work packs, Form Tutors and subject teachers kept in touch with pupils to check on progress and school remained open for our Key Worker children. Relevant virus control measures were implemented during the spring and summer terms and able staff were placed on a rota to support the continued, successful operations of the school.

Our safeguarding team identified any child that they considered to be vulnerable and developed strategies to monitor their safety, wellbeing and welfare during school closure, if they are not attending school. This was in the form of visits and telephone calls. Engagement with social workers and multidisciplinary teams continued and virtual attendance at meetings took place.

During this period, a decision was made to move to a cloud based ICT educational platform to provide collaborative learning with a focus on 'live' lessons being delivered through remote access. This work was carried out during the enforced school closure and was ready to implement from September 2020 ensuring that our pupils continued to learn from home, if necessary.

The financial and operations of the school continued throughout with staff working both from home and in school. The Governor Body received all relevant reports and updates during the Summer Term and meetings were held virtually.

Due to the loss of Trading Income, the Catering Staff and the Sports Complex Staff were furloughed during this period.

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Strategic report (continued)

Achievements and performance (continued)

a. Key performance indicators

Academy

Incoming Resources	2021: £10.5 m	2020: £10.4m
Net income/expenditure for the year	2021: (£0.59m)	2020: (£0.79m)
Funds as at 31 August	2021: £18.6 m	2020: £21.2m
Net current assets	2021: £ 2.6m	2020: £2.6m
Cash generated from operations	2021: £0.286m	2020: £0.369m

The academy's balance sheet remains in a strong position. The net assets of the group as at 31 August 2021 (as represented by the funds) amounts to £20.6 m as opposed £21.2m in the previous year. There has been an excess of expenditure over income in the year to 31 August 2021 which was expected due to increased expenditure on depreciation charges in the year.

Key non-financial performance indicators

Attendance target = 2021 target 97%, actual 93% (2020 target 97%, actual 94.6%)

Exclusion target = 2021 target 4%, actual 2.69% (2020 target 4 %, actual = 3.53%)

Pupil numbers = 2021 target 1405, actual 1428 (2020 target 1405, actual 1416)

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Strategic report (continued)

Achievements and performance (continued)

b. Going concern

Financial Impact of Covid

During the enforced school closure, Woodchurch High School remained fully operational whilst supporting our more vulnerable pupils with their continued learning alongside pupils of key workers. Pupils forced to isolate were sent work home. School successfully functioned with Teaching and Support Staff on a rota basis and within existing staffing levels, no agency supply staff was required.

To enable pupils to be able to access work online, the Google Classroom platform was rolled out across the whole school during the summer term. GSuite for Education was implemented across the wider support areas of the school to facilitate a whole school move to Google enabling significant advantages to support Teaching and Learning.

Following Government guidelines, Woodchurch High School set up a Covid Test Centre and carried out daily testing of all of its pupils. This was staffed using existing staff, volunteers and casual staff; funding was directly received by the school based on the number of tests processed. During the enforced school closure, Woodchurch High School remained fully operational whilst supporting our more vulnerable pupils with their continued learning, alongside pupils of key workers. Pupils forced to isolate were sent home and they remotely accessed Google Classroom, attending all classes as per their timetable. For those pupils who did not have access to wifi or devices, these were allocated by school. School again successfully functioned with Teaching and Support Staff attending school on a daily basis, only having the clinically vulnerable staff working from home. Individual risk assessments for relevant staff were carried out.

Pupils entitled to free school meals were provided with supermarket vouchers and families suffering from extreme hardship where provided with food parcels.

To ensure pupils returned to a safe and secure environment after the closure, we continued to separate our year groups into bubble areas. Break and lunch time services were distributed across five zones across the school site. Seating plans for each class allowing for an accurate and efficient track and trace system, minimising the number of pupils that had to isolate due to a positive covid case. Isolating pupils attended live learning and joined their fellow learners as per their timetable.

Following the school closure, pupils in year 10 attended an extra period at the end of the school day, Period 6, to catch up for lost teaching time. Teachers are paid additional pay for this extra period. Woodchurch High School received 'Catch Up Funding' to support these costs.

The board of trustees has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can found in the Accounting Policies.

In the Summer Term, Woodchurch High School recruited fourteen staff into the ECT programme (Early Career Teachers); this has impacted on our existing staffing structure for the new academic year and provisions and time have been allocated for support and mentoring.

The Headteacher, School Business Manager and key management personnel refer to the three rolling budgets when making all strategic decisions to ensure that plans are sustainable. This is particularly relevant at a time when budgets remain stable but staffing and other costs are escalating. Reference is made to the 'School Resource Dashboard and KPIs are considered each term at Governor Committee meetings.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Strategic report (continued)

Achievements and performance (continued)

The school is popular and heavily oversubscribed, allowing for fairly accurate long term budget forecasting.

Financial review

a. Reserves policy

Capital reserves policy:

The purpose of the policy is to consider that academies are expected to create reserves from their annual GAG funding. The ESFA provide some Devolved Capital Funding to academies, albeit at a reduced level during their first three years of occupation. The ESFA provides no other annual capital funding - current annual amount is approximately £28,000. As assets of new-build academies are usually purchased simultaneously, they reach the need for replenishment simultaneously.

The governors of Woodchurch High School require a capital reserve to be created to fund future capital expenditure. These are normally met via transfers from GAG funding or funded via unrestricted reserves. The academy holds assets to fund planned capital expenditure over the next three years. As such, assets should be invested to minimise risk.

Revenue reserves policy:

Academies are expected to hold contingency reserves from their annual GAG funding or other income. The governors of Woodchurch High School require a revenue reserve to be created to fund expenditure related to the School Development Plan, strategic long-term aims and developments.

The procedure of the academy is to carry forward a prudent level of resources designed to meet the long-term cyclical needs of renewal and any other unforeseen contingencies, subject to any constraint on the level of permitted resources that the ESFA may impose.

The actual level of reserves held as at 31 August 2021 is £18,641,856 (Including £1,382,623 of free reserves) compared to the Reserves Policy value of £2mil.

b. Investment policy

The academy's investment policy is as follows:

- To regularly monitor cash flow and current account balances to ensure immediate financial commitments can be met (payroll and payment runs) and that the current account has adequate balances to meet forthcoming commitments.
- To maintain a working balance of a minimum of £50,000 to respond to unexpected financial demands.
- The academy will normally seek to avoid its current account going overdrawn.
- The academy will identify funds surplus to immediate cash requirements and transfer to the Treasury Account bearing a higher interest rate.
- Periodically (at least annually) review interest rates and compare with other investment opportunities.
- The academy's current policy is to only invest funds in risk-free and immediately assessable deposit accounts.
- Any change in policy requires the approval of the trustees via the Business & Operations Committee.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

c. Principal risks and uncertainties

Falling pupil numbers are a principal risk for the academy. Pupil numbers and the impact on budget, planning and outcomes continue to be carefully monitored by the academy. The senior leadership team meets to determine a strategy to maintain our healthy roll numbers. The academy continues its aggressive marketing campaigns including local paper advertising, primary magazines, bus advertisements and train station advertisements. The academy is currently over-subscribed and the appeals are submitted each year.

Pupil premium funding has been identified as a principal risk faced by the academy. Pupil premium funding is forecasted for future years, based on information from the ESFA. A budget plan is allocated and funding is utilised for the purposes of provision. Staff are recruited within this budget to enable us to manage future requirements in line with funding received.

The budget monitoring process is ongoing throughout the year and known changes are addressed to reflect any future impact.

d. Financial risk management objectives and policies

The Governors have assessed the major risks to which the academy and the group is exposed, relating to strategic, reputational, operational, compliance, financial and curriculum risks. The governors are satisfied that systems and procedures are in place to mitigate the exposure to major risks.

School suffered a cyber attack in February 2021 where our servers and infrastructure were infected. School worked with Action Fraud, Merseyside Police and the ICO, communicating to stakeholders as necessary. The IT Director and Team rebuilt the relevant systems alongside working with the school community and reducing any impact on Teaching and Learning. Additional resources were incorporated into our framework and internal risks were reviewed.

e. Deficit

The pension fund was in deficit as at 31 August 2021 in the amount of £7,350,000 (2020: £7,024,000). This is due to the Local Government Pension Fund deficit decreasing/increasing during the year to 31 August 2021. The academy inherited a deficit on this pension fund on conversion to academy status and the value of the deficit according to the actuarial valuation at the year-end 31 August 2021 amounts to £7,350,000 (2020: £7,024,000). The liability is not expected to crystallise immediately and more information relating to the pension fund is explained in Note 30 to the financial statements.

f. Principal funding

Most of the academy's income is obtained from the Education Skills Funding Agency (ESFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year to 31 August 2021 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

Fundraising

The Academy had no fundraising activities requiring disclosure under the provisions of the Charities (Protection and Social Investment) Act 2016.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Plans for future periods

The main objectives of the Academy for the academic year 2021/2022 are summarised below:

- 1) Curriculum Planning, progress and attainment: for all teaching staff to constantly review their curriculum, responding to the needs of pupils, and be consistent and effective in its implementation, as specified by the T&L Handbook. For impact to be in line with subject targets, leading to whole-school targets being met.
 - Subject Reviews and appraisal to show progress through the year in regard to the written, enacted and online curriculum, with Subject ELPs at least amber in all areas.
- 2) Teaching and Learning - for all staff to embed policy and practice as outlined in the T&L Handbook, focusing specifically on responsive teaching and independent learning.
 - For all teaching staff to deliver effective learning experiences in the classroom and remotely via Google Classroom and Subject Sites, and for teaching ELPs to demonstrate on-going improvement. All Subject Leader and Senior Leadership ELPs to be at least amber in all areas.
- 3) Behaviour and Culture - to realign our standards, culture, expectations and vision - maintaining a calm, orderly environment in all areas of the school so that all staff and pupils feel safe and are focused and ready for learning. For all staff to implement and maintain the school's behaviour policy and expectations, promoting the Code of Conduct and Successful Learning Criteria to ensure that all levels of disruption are challenged and learning is not interrupted.
 - The impact is a positive and respectful school culture, where behaviour, attendance, punctuality and attainment meet expectations.
- 4) Christian Vision, Values and Ethos - for the school community to live out and experience our vision every day: 'let your light so shine before others that they might see your good deeds and glorify our Father which is in heaven' (Matthew 5:16).

For all staff to model and promote our Christian Values, and develop a moral compass in our pupils that motivates and guides their conduct. All leaders to effectively demonstrate how the impact of the school's vision holistically infuses and shapes the strategic and operational direction of the school.

 - This leads to innovative and imaginative practice, which helps pupils transform their lives.
 - To achieve an outstanding SIAMS inspection.
- 5) Business and Operations Management -To effectively support teaching and learning through the management of the school's operational functions.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2021

Plans for future periods (continued)

Disclosure of information to auditor

Insofar as the Governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Governors' report, incorporating a strategic report, was approved by order of the Board of Governors, as the company directors, on 25th November 2021 and signed on its behalf by:

Mr T Smith
Chair of Trustees

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT

Scope of responsibility

As Governors, we acknowledge we have overall responsibility for ensuring that Woodchurch High School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Governors, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Governors has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Woodchurch High School and the Secretary of State for Education. They are also responsible for reporting to the board of Governors any material weaknesses or breakdowns in internal control.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Governance

The information on governance included here supplements that described in the Governors' report and in the Statement of Governors' responsibilities. The board of Governors has formally met 4 times during the year.

Attendance during the year at meetings of the board of Governors was as follows:

Governor	Meetings attended	Out of a possible
Dr T Baxter	4	4
Mrs S Broderick	2	4
Mr M Brown	3	4
Mrs S Cronin	0	1
Mr D Cumberland	3	4
Dr M Gilbertson	3	4
Ms V Jones (Oldham)	4	4
Mrs V Jones (Oldham)	3	3
Ms R Phillips, Accounting Officer and Head Teacher	4	4
Canon E Renshaw (MBE)	3	4
Mrs P Roberts	4	4
Mr G Simpson	3	4
Mr A Smith	2	4
Mr T Smith	4	4

The Governing Body has determined that it is able to convene on a termly basis and maintain effective oversight, particularly as the Chair of the Board meets regularly with the Headteacher to monitor progress and is kept informed of any pertinent matters which may arise from time to time. Governors receive monthly reports relating to the financial positions and, from time to time, are provided with other relevant reports relating to matters at the school. Email communications have continued to prove to be an effective way in which to keep Governors informed between meetings. Governors are also encouraged to visit the school at any time to meet with the Headteacher and other senior employees or simply to observe aspects of the school day.

The Business & Operations Committee is a sub-committee of the main board of governors. Its purpose is to monitor Finance, Audit, Personnel, Operational Compliance and Health & Safety of the Academy and report to the Governors.

Attendance during the year at meetings was as follows:

Governor	Meetings attended	Out of a possible
Ms R Phillips	3	3
Mrs S Broderick	1	3
Dr M Gilbertson	3	3
Mrs H Moore	2	3

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money

As accounting officer, the Headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of Governors where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy has delivered improved value for money during the year by:

- Improving educational results and outcomes
- Challenged recruitment/replacement of staff
- Led a robust and accountable appraisal system/policy including CPD
- Led a robust and accountable disciplinary system/policy

Improving outcomes for our pupils is our top priority. A measure of success is the proportion of Year 11 pupils achieving 9-4 including English, Maths and Science. The use of our Pupil Premium Funding is tracked to ensure pupils receive appropriate interventions.

Financial governance and oversight

The academy is governed by a body of Governors drawn from staff, parents, the Local Authority and those appointed by our partner, the Church of England. The Governing Body meets at least four times a year. It approves the budget and reviews it throughout the year. It considers the Annual Report and Accounts, and monitors audit points raised by the independent auditors. The Governing Body takes an active interest in teaching and learning within the Academy, receiving updates on tracking data and holding the Senior Leadership Team accountable for performance. More detailed financial oversight is supplied by the Business & Operations Committee, which meets three times per year. This Committee reviews internal management accounts, and receives termly internal audit reports prepared by the Internal Auditor. The Business & Operations Committee is also responsible for the maintenance of the Academy's Risk Register, which it reviews termly, taking into account changes in the wider political and economic climate. This helps direct the Academy's strategic planning to avoid the waste of time, money and resources. The Governing Body is also supported by this committee in helping to ensure that proper consideration has been given to recruiting, retaining, and rewarding staff in order to offer the best possible opportunities to our pupils, while recognising the importance of staffing costs as a proportion of the overall budget. The Committees operate in accordance with their Terms of Reference.

Better purchasing - ensuring value for money

Contracts and services are regularly appraised and renegotiated when appropriate to ensure value for money. The Academy takes advantage of consortia when appropriate, to obtain economies of scale. Individual budget holders are held accountable for the use of their budgets, and are helped by Resource Assistants and Finance Officers in sourcing best value. Tight monitoring of budgets is carried out and where applicable, spend is challenged, eg, reprographics charges, licences, subscriptions. The following examples within the year demonstrate value for money:

- 1) Reviewed ICT educational platform and re-built an independent network, moved to Google Platform and relinquished 3rd party costs with RM
- 2) Reviewed Microsoft Licences and challenged numbers, savings on FTE staff. Also, conversion of desktops to Neverware
- 3) Implemented chrome book trolleys to support pupil learning, laptop bank obsolete, chrome books more robust and better value, life expectancy longer than a laptop
- 4) Implementation of robust internet lines to support new ICT environment
- 5) Reviewed all contracts due for renewal and sourced best value

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money (CONTINUED)

- 6) Reduced external purchases by performing tasks in-house ie. buildings' maintenance, painting, plumbing
- 7) Continued to challenge recruitment based on retiring staff – use of new online systems, restructured roles

Maximising income generation

The Academy explores every opportunity to generate income through additional funding streams such as the hire of the Academy facilities, attracting available grants, in-house catering and providing a traded service for primary schools. However, due to COVID-19 and enforced school closure, lettings, in-house catering and Sports Complex trading income has been significantly affected. Managing cash, the Academy Trust ensures that all surplus cash balances are invested in interest bearing accounts to maximise interest earning potential. Investment institutions are selected carefully to provide the most acceptable balance of return and risk..

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable assurance and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Woodchurch High School for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of governors has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of governors.

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures, including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Governors
- regular reviews by the Business and Operations Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties;
identification and management of risks, via the Risk Register.

The Board of Governors has decided to employ Dominic Ion as internal auditor.

The internal auditor's role includes giving assurance on the Academy's financial position by performing a range of checks. In particular the checks carried out in the current period included a full review and verification of the

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework (CONTINUED)

trial balance and testing of the:

- payroll systems
- purchase systems
- control accounts/bank reconciliation

The Internal Auditor presents his findings to the Business & Operations Committee in the Spring and Summer Terms (the Autumn Term being concerned with the annual external audit).

In addition, the IA provides independent assurance that:

- The financial responsibilities of the Governing Body are being properly discharged
- Resources are managed in an efficient, economical and effective manner
- Sound systems of internal financial control are being maintained and
- Financial considerations are fully taken into account in reaching decisions

The Business & Operations Committee will consider the Internal Auditors findings, as part of its review of the academy's internal control system. The work carried out by the Internal Auditor will be designed to mitigate risks and provide assurance to the external auditors.

On a semi-annual basis, the internal auditor reports to the board of Governors through the Business & Operations committee on the operation of the systems of control and on the discharge of the Governors' financial responsibilities.

Review of effectiveness

As accounting officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Business & Operations committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Woodchurch High School I have considered my responsibility to notify the academy board of Governors and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the academy board of Governors are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Governors and ESFA.

STATEMENT OF GOVERNORS' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2021

The Governors (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Governors' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Governors to prepare financial statements for each financial year. Under company law, the Governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the charitable company and of their incoming resources and application of resources, including their income and expenditure, for that period. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for ensuring that in their conduct and operation the Group and the charitable company apply financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the group's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
WOODCHURCH HIGH SCHOOL**

Opinion

We have audited the financial statements of Woodchurch High School (the 'parent academy') and its subsidiaries (the 'Group') for the year ended 31 August 2021 which comprise the Consolidated Statement of Financial Activities, the Consolidated balance sheet, the Academy balance sheet, the Consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the parent academy's affairs as at 31 August 2021 and of the Group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or the parent academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
WOODCHURCH HIGH SCHOOL (CONTINUED)**

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Governors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Governors' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Group and the parent academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent academy has not kept adequate accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent academy financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
WOODCHURCH HIGH SCHOOL (CONTINUED)**

Responsibilities of trustees

As explained more fully in the Governors' responsibilities statement, the Governors (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the Group's and the parent academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the Group or the parent academy or to cease operations, or have no realistic alternative but to do so.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
WOODCHURCH HIGH SCHOOL (CONTINUED)**

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company for fraud. The key laws and regulations we considered in this context were General Data Protection Regulation, health and safety legislation and employee legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquire of the Trustees and other management and inspection of regulatory and legal correspondence, if any. We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing and completeness of income recognition and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Board about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the ESFA, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's report.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
WOODCHURCH HIGH SCHOOL (CONTINUED)**

Use of our report

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO
WOODCHURCH HIGH SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 10 March 2015 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Woodchurch High School during the year 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Woodchurch High School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Woodchurch High School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Woodchurch High School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Woodchurch High School's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Woodchurch High School's funding agreement with the Secretary of State for Education dated 8 August 2014 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The work undertaken to draw our conclusion includes a review of the design and implementation of the Academy's internal controls and review processes on regularity, supported by detailed tests on samples of costs incurred by the Academy and specific transactions identified from our review.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO
WOODCHURCH HIGH SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Consolidated statement of financial activities (SOFA) and Consolidated balance sheet consolidate the financial statements of the academy and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

The academy has taken advantage of the exemption allowed under section 408 of the Companies Act 2006 and has not presented its own Statement of financial activities in these financial statements.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES (CONTINUED)

1.2 Going concern

The Governors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Financial Impact of Covid

During the enforced school closure, Woodchurch High School remained fully operational whilst supporting our more vulnerable pupils with their continued learning alongside pupils of key workers. Pupils forced to isolate were sent work home. School successfully functioned with Teaching and Support Staff on a rota basis and within existing staffing levels, no agency supply staff was required.

To enable pupils to be able to access work online, the Google Classroom platform was rolled out across the whole school during the summer term. GSuite for Education was implemented across the wider support areas of the school to facilitate a whole school move to Google enabling significant advantages to support Teaching and Learning.

Pupils entitled to free school meals were provided with supermarket vouchers and families suffering extreme hardship where provided with food parcels. Due to the inability for the Edenred Scheme to meet our parents' needs, supermarket vouchers continued to be issued weekly through both the Easter and Summer holidays as did the food parcels. The cost of staffing this food distribution was absorbed by the school.

To ensure pupils returned to a safe and secure environment in September, the separation of year groups into bubble areas was required. Movement around school is staggered to minimise year group mixing and both break and lunch services have been modified to provide refreshments in the year group areas. Seating plans have been prepared for each class to allow for an accurate and efficient track and trace system and this has effectively minimised the number of pupils that have to isolate due to a positive Covid test. Pupils who are isolating attend live learning and join their fellow pupils in lessons as per their timetable online. Pupils in Year 11 attend an additional lesson, Period 6, at the end of each day to catch up for lost teaching time in 2020. Teachers are paid additional time for this extra period.

Catering sales have suffered from the lack of a hot meal provision, however future development of Catering Pods, an Orangery extension to the Learning Cafe and the appointment of a Catering Development Manager will drive forward the marketing and introduction of a new and improved catering service. Pupils will remain in year group bubbles, as this has been a positive and enjoyable experience for pupils, improving behaviour and relationships and supporting the return to school.

To reduce risk of infection from Covid 19, signage and hand sanitiser units have been placed in key areas around school, with extended housekeeping hours to clean high touch points on a continuous rotation.

The board of trustees has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES (CONTINUED)

1.2 Going concern (continued)

The Headteacher, School Business Manager and key management personnel refer to the three-year rolling budget when making all strategic decisions to ensure that plans are sustainable. This is particularly relevant at a time when budgets remain stable but staffing and other costs are escalating.

The school is popular and heavily oversubscribed, allowing for fairly accurate long-term budget forecasting.

1.3 Income

All incoming resources are recognised when the Group has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Consolidated statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Consolidated statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Group has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES (CONTINUED)

1.4 Expenditure (continued)

• **Charitable activities**

These are costs incurred on the Group's educational operations, including support costs and costs relating to the governance of the Group apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Basis of consolidation

The financial statements consolidate the accounts of Woodchurch High School and its subsidiary undertaking.

The academy has taken advantage of the exemption contained within section 408 of the Companies Act 2006 not to present its own income and expenditure account.

The income and expenditure account for the year dealt with in the accounts of the academy was a loss of £ (2020: £718,293).

1.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Group; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.7 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES (CONTINUED)

1.8 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Consolidated statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Consolidated statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Fixtures & fittings LED lighting	- 5% straight line
Fixtures & fittings	- 25% straight line
Computer equipment	- 33.3% straight line
Motor vehicles	- 25% reducing balance

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Consolidated statement of financial activities.

1.9 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Consolidated statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

1.10 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.11 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES (CONTINUED)

1.12 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.13 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Group anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.14 Pensions

Retirement benefits to employees of the Group are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Group in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Group in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Consolidated statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES (CONTINUED)

1.15 Agency arrangements

The academy trust acts as an agent in distributing payroll payments from Wirral Borough Council to two local authority primary schools. Payments received from Wirral BC and subsequent disbursements to the primary schools are excluded from the statement of financial activities as the academy trust does not have control over the application of the funds. The academy trust charges for the payroll service provision based on the number of employees and this is recognised in the statement of financial activities. The funds received and paid, and any balances held are disclosed in note 31.

1.16 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Group at the discretion of the Governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

1.17 Employee termination benefits

Termination payments are recognised as soon as the academy is aware of the obligation to make the payment.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

	408,798	408,798
Total 2020	9,851,542	9,851,542

Following the reclassification in the Academies Accounts Direction 2020/21 of some grants received from the Department of Education and ESFA, the group's funding for Universal Infant Free School Meals and Pupil Premium is no longer reported under the Other DfE Group grants heading, but as separate lines under the Other DfE/ESFA grants heading. The prior year numbers have been reclassified.

The academy trust has been eligible to claim additional funding in year from government support schemes in response to the coronavirus outbreak. The funding received is shown above under "exceptional government funding":

- The funding received for coronavirus exceptional support covers £58k (2020: £125k of Free School Meal (FSM) vouchers purchased through the government's centrally organised scheme. These costs are included in note 7, 8 and 9 below as appropriate.
- The academy furloughed some of its catering staff under the government's CJRS. The funding received of £22k (2020: £53k) relates to staff costs in respect of these staff which are included within note 11 below as appropriate.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

11. STAFF (CONTINUED)

c. STAFF NUMBERS

The average number of persons employed by the Group and the academy during the year was as follows:

	Group 2021 No.	Group 2020 No.
Leadership	12	11
Teachers	82	98
Administration and support	102	140
	<hr/> 196 <hr/>	<hr/> 249 <hr/>

d. HIGHER PAID STAFF

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	Group 2021 No.	Group 2020 No.
In the band £60,001 - £70,000	3	2
In the band £70,001 - £80,000	2	2
In the band £80,001 - £90,000	3	2
In the band £140,001 - £150,000	-	1
In the band £150,001 - £160,000	1	-
	<hr/> 1 <hr/>	<hr/> - <hr/>

e. KEY MANAGEMENT PERSONNEL

The key management personnel of the academy comprise the Governors and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy was £1,126,159 (2020 £1,036,421).

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

12. GOVERNORS' REMUNERATION AND EXPENSES

One or more Governors has been paid remuneration or has received other benefits from an employment with the academy. The principal and other staff Governors only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Governors' remuneration and other benefits was as follows:

2021	2020
£	£

During the year ended 31 August 2021, expenses totalling £NIL were reimbursed or paid directly to Governor (2020 - £35 to 1 Governor). The expense was in relation to an online safeguarding course.

13. GOVERNORS' AND OFFICERS' INSURANCE

Insurance cover is held with Zurich which covers the whole school, with no separate amounts identifiable for governors.

The specific purposes for which the funds are to be applied are as follows:

Restricted General Funds are used specifically to provide educational resources for the pupils of the Academy. To better represent the specific uses of the funds, other restricted funds from the prior year have been reclassified as farm grants, maternity and paternity, and redundancy funds in the year.

Restricted Fixed Asset Funds provide for the installation, maintenance and repair of the fixed assets of the Academy.

Unrestricted Funds are those other resources which maybe used to further the objective of the Academy. £274,077 (2020: £261,577) of the Unrestricted Fund relates to a sinking fund to maintain the Sports Complex facilities.

The Governors require a capital reserve to be created to fund future capital expenditure. These are met via transfers from GAG funding or funded via unrestricted reserves. The academy holds assets to fund planned capital expenditure over the next three years.

Under the funding agreement with the Secretary of State, the Academy was no subject to a limited on the amount of GAG that it could carry forward at 31 August 2021.

ACADEMY

Restricted fund and restricted fixed asset funds for the Academy are the same as for the Group disclosed above. Unrestricted funds for the Academy are £1,376,365 (2020 - £1,241,596). The unrestricted surplus for the Academy was £150,727 (2020 - £82,786).

Under the funding agreement with the Secretary of State, the academy was not subject to a limit on the amount of GAG it could carry forward at 31 August 2021.

26. CAPITAL COMMITMENTS

	Group 2021 £	Group 2020 £	Academy 2021 £	Academy 2020 £
Contracted for but not provided in these financial statements				
Acquisition of tangible fixed assets	70,824	159,902	70,824	159,902

The academy has capital commitments at the end of the period of £70,824. The total value of the capital acquisition is £141,649, of which 50% (£70,825) has been prepaid at year-end.

27. PENSION COMMITMENTS

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Mercers. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £162,089 were payable to the schemes at 31 August 2021 (2020 - £108,617) and are included within creditors.

TEACHERS' PENSION SCHEME

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

WOODCHURCH HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

27. PENSION COMMITMENTS (CONTINUED)

VALUATION OF THE TEACHERS' PENSION SCHEME

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £931,199 (2020 - £923,738).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Group has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Group has set out above the information available on the scheme.

LOCAL GOVERNMENT PENSION SCHEME

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £646,000 (2020 - £621,000), of which employer's contributions totalled £515,000 (2020 - £494,000) and employees' contributions totalled £ 131,000 (2020 - £127,000). The agreed contribution rates for future years are 17.3 per cent for employers and 5.5 to 12.5 per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

At 31 August	7,371,000	5,807,000

28. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

29. RELATED PARTY TRANSACTIONS

Owing to the nature of the academy and the composition of the Board of Governors being drawn from local public and private sector organisations, transactions may take place with organisations in which the governors have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

In the year 2020/21 there was £3,630 (2020: £2,711) of income received from Liverpool Hope University where S Cronin, the Head of School from 11 November 2016, is also a governor of the Academy.

£8,900 (2020: £5,475) was received from Chester University where D Cumberland, a governor, is the Deputy Dean in the Faculty of Education and Children Services. Income received was for the mentoring of associate teachers studying at the universities. During the year the academy paid out £2,969 (2020: £NIL) to Chester University in respect of Access training received.

During the year, the academy paid £1,100 (2020: £1,525) to Chester Diocesan Board of Education where L Bannon, the assistant Headteacher, is a trustee.
