Professional Role:	<i>Executive Dean</i>		Committees:	<i>Curriculum (Chair)</i>	

A little about myself:

Having started my career in the Primary sector I moved to teaching in Secondary schools as a History specialist, spending a number of years as a Head of Department and as a Head of a large sixth form.

I have worked extensively with schools, local authorities and government agencies in developing teacher and initial teacher expertise and in the development of teacher training and teacher education.

I am currently Dean in the Faculty of Education and Children's Services at the University of Chester, having previously taught at Liverpool Hope University initially leading the Secondary PGCE programme and then as Vice Dean with responsibility for Teacher Education programmes and as Director of Recruitment & External Liaison.

I have significant experience in school development and governance and have worked on a number of new-build projects, including Charing the Education Transition Group for a new £33m ecumenically sponsored Academy in Newton-Le-Willows and was Chair of Governors.

I am also a Board member of the Chester Diocesan Board of Education and chair of the DBE School Effectiveness Committee. For the Diocese of London I am a Director and Chair of the London Diocesan Board of Schools Academy Trusts. At a research level my interests lie in Education Management, Post-16 education and development and the link to lower school achievement and most recently in the area of Education for Sustainable Development.

Professional Role:	<i>Archdeacon</i>	Committees:	<i>Business & Ops</i>		

A little about myself:

I am a Church of England priest. As the Archdeacon of Chester, I have responsibility for over a hundred parishes, including those on the Wirral. I serve on the School Governing Body as a Church of England Governor, helping to encourage links between the school and the local church. I grew up in Stockport, worked for several years as a civil servant, then as a parish priest in London and in Hartlepool on Teesside before returning to the North West several years ago. It is a great privilege to be connected with Woodchurch High School – I think what the students and staff achieve here is amazing.

Tenure:	<i>4 Years</i>	Date Appointed:	<i>09.12.21</i>	Office Expires:	<i>08.12.25</i>
Professional Role:	<i>Retired</i>	Committees:	<i>Curriculum</i>		

A little about myself:

I worked in education for over 40 years, abroad and in Merseyside. I have two degrees in Education and was an advisory teacher in Wirral for two years. I came to Woodchurch High School as Head of Science and during my 26 years teaching here I was given many excellent and varied opportunities for professional and personal development. My roles included being a member of the Senior Leadership team plus Engineering College manager, Curriculum Leader for Health Social Care and Early Years and Personal Social and Health Education.

I retired in 2017 and was keen to retain my Governor role, having previously been a Staff Governor.

I am married with two grown up children, both of whom are teachers! I enjoy many types of exercise and dance, travel, Spanish, horse riding and voluntary work, and I find my role as a Governor most interesting and rewarding.

Professional Role:	<i>Barrister</i>	Committees:	<i>Business & Ops</i>		

A little about myself:

I am the parent of 2 children at Woodchurch High School, currently in years 8 and 10. I want to take a proactive part in shaping the lives and education of the next generation.

I am a barrister and specialise in all aspects of children law. I have extensive experience in all aspects of children law and in particular safeguarding legislation and procedures. This knowledge, together with the skills I have acquired during my professional life, allow me to play an active part as a Governor of Woodchurch High School.

Being a parent and step-parent to 4 boys means that there is little spare time for personal interests but I am currently undertaking a PhD and when time permits, I can be found in a plane as I am learning to fly or building LEGO!

Professional Role:	<i>Retired</i>	Committees:	<i>Business & Ops</i>		

A little about myself:

I have worked in education both in Liverpool and on the Wirral for thirty six years before taking early retirement. I began as an English teacher then moved to the Local Authority gaining experience within many areas of Children's Services. It was in that capacity that I became involved with Woodchurch High School and quickly developed a close working relationship with the school. Their aspirational ethos for all students to strive to be the best they can be is inspirational and if I can assist this goal in any way it will be a great privilege.

My other interests are singing, walking, travelling and volunteering.

I am currently a Trustee at Hilbre High School.

Tenure:	<i>4 Years</i>	Date Appointed:	<i>22.09.21</i>	Office Expires:	<i>21.09.25</i>
Professional Role:	<i>Social Inclusion Officer</i>		Committees:	<i>Curriculum</i>	

A little about myself:

I have worked at Woodchurch High School within the SEND Team since 2006. My particular focus in developing inclusion is in PE, providing opportunities for SEND pupils to participate and excel in disability sport. Currently, my role in the school is Inclusion Officer. I oversee the provision for our SEND pupils, providing pastoral support and also leading a team of teaching assistants, ensuring that they deliver the highest quality support to our pupils. Many of our SEND pupils and vulnerable pupils have limited life experiences. Therefore I am privileged in my role to be able to organise a range of enrichment activities and residential trips. The highlight of the year is the trip to France which always leaves lasting memories for our pupils.

I am enjoying my role as staff governor and learning about the strategic development of the school.

On a personal level I am married and my wife teaches Art at Woodchurch High School. I have a young daughter and enjoy keeping fit by going to the gym and doing triathlons.
