Notes

All Year 11 pupils have a Careers Guidance interview. School has 55 days of dedicated interview days for these. Initially, these interviews are by pupil self-referral. As the year progresses, groups are targetted, such as NEET. Individual pupil details are kept on the Careers Interview Tracker

Over an eight day period, all pupils in Year 10 are seen in small groups. The Careers PA introduces and discusses the various post-16 options and destination routes

All pupils with high levels of SEND, inc. EHCPs have targeted interviews, at which key school staff and parents are in attendance. These are designed to aid effective transition

Year 10 pupils undertook a week long work experience placement. Of the 278 in the year group, 258 pupils participated. A total of 249 employers provided the placements requested, either through school, or MPloy Solutions

The Careers Fair ran in the evening and all Year 9, 10 and 11 pupils + parents were invited to attend. Pupils had option of attending as they left school in the evening

Pupils have day off timetable, participate in 1:1 interview with school staff. Options taken, informed by LMI and interests. Aspirations raised. Careers Guidance available throughout the day

Careers Advisor available on Year 11 Results Day to offer guidance and support any late applications from pupils either underachieving or exceeding expectations re: destination routes

Event supported by 10 Barclays Bank employees. Focus: CVs and Interview Technique. Session duration one half day, pupils worked in small group with employers facilitators

A half day workshop with Year 11. Informing them of local LMI, as well as the range of post-16 options and destination routes. Guidance given on application processes

Year 10 Enterprise Day. Run by MPloy and facilitated by employers. Tasks focussed on softskill development, as well as exploring the range of LMI opportunities and the skills required for the various sectors

Pupils undertook whole day enterprise activity, in small groups supported by bank employees.

Focus: money and finance / bank accounts - developing financial awareness and understanding of wages / salaries / tax etc

Pupils undertake a half day briefing on Work Experience prior to placements commencing. Aspects covered: getting there, attendance, punctuality, 'what if...' and Health & Safety

Half-day session, led by Transformational Trust/Barclays. Pupils worked in groups, supported by Bank employees. Focus: workplace behaviours and money management
