

## CAREERS - CAREERS IN FOCUS

Today, we're going to look at a number of **career profiles** of people who work within some of the '**Growth Sectors**' we looked at in previous sessions. We've tried to demonstrate roles that you may not be familiar with to highlight the fact that there are so many different, interesting and exciting opportunities out there.

Don't worry if the careers you're interested in aren't included in the clips below, we're only giving you a glimpse of what's available, which will hopefully whet your appetite to complete some further research yourself, by using the links listed below and within previous sessions.

Remember, this is your career, your life and your choice, so take control and start to find out about the careers which motivate you!

**RESEARCH, RESEARCH, RESEARCH!** 🔍

But before you start, why not take a little 'Pep talk' from Kid President:
