Choosing a Degree Subject

'I don't know what to study at university.'

The most important thing to get right! You don't want to waste your time and money on a subject you don't enjoy.

Fill out this table and do some research to try and help you decide and explore different options.

	My Examples	Relevant Degree Subjects
Favourite subjects		
Hobbies or other interests		
Learning preferences		
Dream job		
Subjects with highest grade predictions		
Areas you have/ could get work experience in?		

Choosing a University

Now you have thought about the subjects you are interested in, it's time to consider different universities too. There are a multitude of factors to consider-so prioritising which are most important to you is key.
