

ROUTINE SCHOOL AGE VACCINATIONS

HUMAN PAPILLOMAVIRUS VACCINE

YEAR 8

Dear Parent/Carer,

I am writing to inform you that the School Age Immunisation Service will be offering the

HPV-Human Papillomavirus vaccination at your child's school on

Friday 27th June

Further information about the vaccinations can be found on the NHS website:

[HPV vaccine overview - NHS \(www.nhs.uk\)](https://www.nhs.uk)

The HPV vaccine helps protect against human papillomavirus (HPV). It's recommended for children aged 12 to 13 years old. Some types of the human papillomavirus are linked to an increased risk of certain types of cancer, including cervical cancer, genital cancers, and head and neck cancers as well as genital warts.

To complete your child's vaccination e-Consent form please use the link below.

[Vaccination Consent \(wchcimms.co.uk\)](https://wchcimms.co.uk)

Each school has a unique code to access the consent, please see your child's school code below.

SCHOOL CODE **WC138853**

SCHOOL NAME **Woodchurch High School**

If you have any queries regarding school age vaccinations or the e-Consent process, please email the School Age Immunisation Team - wcnt.schoolhealthimms@nhs.net or call 0151 514 2510.

Best wishes,
Wirral School Age Immunisation Team
